1. Definitions

For the purposes of this document a child, young person, pupil or student is referred to as a 'child' or a 'pupil' and they are normally under 18 years of age.

Wherever the term 'parent' is used this includes any person with parental authority over the child concerned e.g. carers, legal guardians etc.

Wherever the term 'Head teacher' is used this also refers to any Manager with the equivalent responsibility for children.

Wherever the term 'school' is used this also refers to academies and Pupil Referral Units (PRU) and references to Governing Bodies include Proprietors in academies and the Management Committees of PRUs and will usually include wrap around care provided by a setting such as After School Clubs and Breakfast Clubs.

2. Introduction

In their document 'Behaviour and Discipline in Schools', the Department for Education (DfE) have set out the legal powers and duties that govern behaviour and attendance in schools and explains how they apply to teachers, governing bodies, pupils and parents.

Every school must have a Behaviour Policy in order to meet the requirements of Section 89 of the Education and Inspections Act 2006 (maintained schools)/Independent Schools Standards Regulations 2010 (Academies).

Section 78 of the Education Act 2002 requires that the curriculum for a maintained school must promote the spiritual, moral, cultural, mental and physical development of pupils at the school and of society which, in turn, prepares pupils at the school for the opportunities, responsibilities and experiences of later life. Guidance for schools on the promotion of fundamental British values of democracy, the rule of law, individual liberty and mutual respect of those with different faiths and beliefs is available from the DfE. (November 2014).

The Governing Body is responsible for setting general principles that inform the Behaviour Policy. Governors of maintained schools are required to have a 'Statement of Behaviour Principles' which is a statutory document. (DfE – Policies and other Documents that Governing Bodies and Proprietors are required to have by Law). Head teachers are responsible for developing the Behaviour Policy, based around the 'Principles' required by the Governing Body, and deciding the standard of behaviour expected of pupils at the school and how that standard will be achieved, the school rules, rewards for good behaviour and any disciplinary penalties for breaking the rules.

In terms of staff and other adults, any person whose work brings them into contact with children including volunteers must follow the principles and guidance outlined in the school Code of Conduct for Staff and Other Adults. In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this Code of Conduct, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

The Behaviour Policy must include measures to prevent all forms of bullying among pupils.

This Policy should be read in conjunction with the following school policies and procedures **and, where relevant, any Covid-19 addendums to these Policies and procedures:**

- Positive Behaviour Policy
- Special Educational Needs Policy
- Health and Safety Policy
- Admissions Arrangements
- Complaints Procedure
- Single Equality Information/Objectives
- Child Protection Policy including Whistle blowing Procedures

- E-Safety Policy
- Relationships Education Policy
- Positive Handling Support and Intervention Procedures
- Staff Code of Conduct
- Lettings Arrangements
- Supporting Pupils with Medical Needs Policy and Procedures
- Educational Visits Procedures
- CCTV Procedures (should form part of Data Protection Policy)

3. Policy Aims

It is the aim of our school to ensure that all pupils and staff have the right to feel happy, safe and included. Pupils and staff have the right to work in an environment without harassment, intimidation or fear.

The Whole School Behaviour Policy confirms the school commitment to:

- An expression of our belief that all pupils should be included fully in the life of the school.
- To provide a learning environment free from any threat or fear which is conducive to the achievement of individual aspirations.
- To reduce and to eradicate wherever possible, instances in which pupils are made to feel frightened, excluded or unhappy.
- To reduce and to eradicate wherever possible, instances in which pupils are subject to any form of bullying.
- To ensure that all pupils and staff are aware of the policy and that they fulfil their obligations to it.
- To meet any legal obligations which rest with the school

The aim of this Policy is to determine the boundaries of acceptable and unacceptable behaviour, and introduce rewards and sanctions and to determine how they will be fairly and consistently applied.

In order to achieve this, the school will:

- make clear its expectations of good behaviour, through assemblies, class/school council meetings and in published documents;
- reward achievements;
- treat every member of the community as individuals and respect their rights, values and beliefs;
- create a zero tolerance environment against all instances of bullying or discrimination on the basis of race, gender, ability or cultural differences;
- provide positive examples for modelling behaviour;
- promote good relationships and a sense of belonging to the community;
- intervene early to challenge undesirable behaviour;
- follow and apply consistently clear guidelines when responding to instances of unacceptable behaviour.

4. School Ethos and Values

Haverigg Primary School is fully committed to every child receiving the very best education and to ensuring that all pupils reach their full potential. In order to achieve this, teachers aim to deliver outstanding lessons and the school rightly has high expectations of its pupils. We expect all members of the school community to behave well, work hard, achieve high standards appropriate to

their learning abilities, show respect for one another and to ensure that Haverigg Primary School is a positive and safe place to be.

For the school to achieve a positive ethos it is essential that all members of the school community work well alongside each other and develop positive working relationships (this includes all staff and other adults working in the school, pupils and parents/carers). Having a positive ethos helps to ensure good behaviour from pupils in school. Young people learn by example and as such, having high standards of behaviour expectations from all parties involved in their education will create adults with similarly high behaviour standards.

We recognise that consistency is crucial in maintaining high standards of behaviour alongside a culture that celebrates success and is not based solely on sanctions. To this end, Haverigg Primary school is committed to promoting and rewarding good behaviour. We are also committed to a united approach to managing behaviour in and out of school.

Haverigg Primary School will not tolerate bullying or intimidation of any description. A complaint of bullying will always be taken seriously.

The many ways we celebrate success are listed below and will be reviewed by pupils, parents and staff during the academic year.

- Verbal praise in class
- Written praise in marked work
- Sharing and celebrating success during lesson time – use of circle time for pupils to discuss their own behaviour related concerns

7. Sanctions and Consequences

Although this school aims to focus on positives at all times (see positive behaviour management policy), there are unfortunately occasions when a minority of pupils let themselves, the school and others down through their unacceptable or inappropriate behaviour.

We want pupils to take responsibility for their behaviour and will encourage pupils to do this through restorative justice approaches which enable pupils to reflect on their behaviour and to make amends. This process does not, however, replace consequences. At our school, we know that consistency is essential for pupils to understand what is expected of them and to avoid mixed messages. It is vital that children learn early on in life that there are always consequences for poor and unacceptable behaviour which undermine the positive atmosphere of our school community.

- **Securing consistent consequences**

An essential part of our behaviour management lies in the fact that each child knows that consequences will be imposed for unacceptable behaviour. The principles upon which consequences are based are that they should be:-

- The minimum necessary
- Immediate and short lived
- Consistent
- Focused upon the act not the child
- Expected and understood by the child
- Delivered in a calm way
- Accompanied by a model/discussion of acceptable behaviour
- Not humiliating to the child or the adult
- Avoided where possible
- Sufficiently disagreeable to discourage a repetition
- Involving parents where deemed appropriate
- Home/school books or class dojo for every class

We have divided inappropriate behaviour **in school** into three categories. Examples are as follows

low level– This is day-to-day classroom behaviour that would be handled by the class teacher and HLTAs.

- Examples would be: calling out, tapping, fidgeting, swinging on chairs, persistent talking, carrying on working when the teacher is talking, leaving seat during working tie, negative use of body language, stopping other working. This is done through the use of the traffic light behaviour system.

Medium level– This behaviour that could lead to involvement of a senior teacher – Mrs Lewis, or Mrs Redhead if needed – especially repeated behaviour at this level.

- Examples would be: continually behaving in any of the above ways and/or drawing others into negative behaviour, arguing, not sharing, answering back, hitting/verbal aggression.

High level – This is serious behaviour that would lead to the involvement of the Headteacher and that could put a child at risk of exclusion

- Examples would be: continually behaving in any of the above ways and/or violent behaviour, aggressive behaviour of any sort, inciting others to behave badly, damaging furniture or property, walking/running away or out of the classroom/school, refusing the member of staff, racist remarks, bullying.

We have divided inappropriate behaviour at **playtimes** into three categories. Examples are as follows

1 – Not sharing, taking turns or low level name calling.

Consequences – Warning, reminder to the children how they should behave and your expectation. Time out if staff member decides this is needed.

2 – Continuation of above behaviour, not following instructions, play fighting, throwing equipment, entering the school building without permission.

Consequences – Children sent inside to study area = they will then complete a “personal behaviour log” to help them reflect on their actions and address these in hindsight - this will be signed by the child and their teacher each and kept. In addition, they will be kept in the following playtime to write an apology letter. Repeated incidents may result in parents being called if teacher feels this is needed.

3 - Continuation of above behaviour and swearing, fighting, deliberately breaking equipment and inappropriate use of toilet.

Consequences – as above and in addition parents will be contacted; letter home or request for meeting in school. The Headteacher may also consider asking parents to accompany their child.

7.1 Restorative Justice/Reflection on Actions

Restorative justice is a process which restores relationships where there have been problems. It is an opportunity for both sides to explain what happened and to try and come up with a solution. Where there has been an issue the individuals involved will meet with a mediator who will ask them three main questions:

- What happened?
- Who else has been affected by this?
- What can be done to prevent this happening again?

The questions have been designed so that both sides have an opportunity to hear the situation from each other. It enables them to think about how this may have affected the other person but also the other pupils and their learning. By doing this and coming up with solutions it encourages both parties to take responsibility for their actions and make them aware of the impact they are having on others. It is also very helpful to hear the other side of the story and really appreciate why others may be upset.

Restorative justice works extremely well if there has been a repeated problem for a pupil and member of staff. This is because it gives them an opportunity to air their differences, appreciate how the other feels, and move on in a positive light, always with the aim to solve the problem, move on and prevent the same situation arising again.

Restorative justice also works very well when pupils fall out with each other, allowing them to see the impact of their actions, apologise if necessary and put it behind them.

Meetings are always held in a neutral place with a mediator who is not involved. The mediator's job is to keep everyone calm and civil and help those involved to move forward to restore the relationship.

Reflection on actions is normally used to allow the individual to reflect on their behaviour and to allow the pupil to decide for themselves why their behaviour was inappropriate and how it might have affected others in the school. Pupils are generally asked to write down their reasons for the behaviour and how that behaviour could be improved or what alternatives to the inappropriate behaviour might have been possible if the same circumstances arise again.

7.2 Sanctions and Disciplinary Action

There is a clearly defined process for issuing sanctions in this school. Where possible pupils are issued with a warning to enable them to rectify their behaviour though there are times when the nature of the behaviour does not warrant a warning as it is so serious. The school uses a wide range of consequences for poor behaviour which are outlined in more detail below.

Screening, Searching and Confiscation

The school follows Government advice when confiscating items from pupils which is outlined in their document "Screening, Searching and Confiscation – Advice for Head teachers, Staff and Governing Bodies – February 2014 (A copy of this document is available from the school on request or to download from the DfE Website).

The following items are what are termed 'Prohibited Items' and their presence on school premises or if found on an individual pupil will lead to the highest sanctions and consequences:

- Knives
- Firearms/weapons
- Illegal drugs
- Alcohol
- Fireworks
- Tobacco and cigarette papers
- Pornographic or unsuitable images
- Stolen items

- Any article that the member of staff (or other authorised person) reasonably suspects has been, or is likely to be, used:
 - i) to commit an offence,
 - ii) to cause personal injury to, or damage to the property of, any person (including the pupil)

Head teachers and authorised staff can also search for any item banned by the school rules which has been identified in the rules as an item which may be searched for.

The following are items which are banned by the school under the school rules:

Examples:

- Mobile phones used in class
- MP3 players or similar used in class
- Jewellery not in accordance with the school uniform policy
- Lighters or matches

Pupils wearing any accessories or jewellery which do not follow the School Uniform Policy can expect to have these items confiscated. Any confiscated items will be logged and made available for collection at the end of the school day. Where a pupil repeatedly flouts the rules, they may be asked to hand in items at the beginning of each day to reduce unnecessary time wasting for teachers. For repeated offences of this nature, parents will be asked to collect confiscated items. Where items are not collected, the school will dispose of them at the end of each term.

Staff have the power to search pupils with their consent for any item banned under the school rules.

Where items are 'prohibited' as outlined above, these will not be returned to pupils and will be disposed of by the school according to the DfE advice and statutory guidance 'Screening, Searching and Confiscation – Advice for Head teachers, staff and Governing Bodies'. Pupils must not bring any of the items listed above on to school premises. The school will automatically confiscate any of the 'prohibited' items and staff have the power to search pupils **without** their consent for such items. There will be severe penalties for pupils found to have 'prohibited' items in school. In certain circumstances this may lead to permanent exclusion.

Removal from Class

Where a pupil fails to respond to repeated warnings and reminders to improve an aspect of behaviour which disrupts the learning of others, they can be removed from class and sent to the Head teacher. In such circumstances, the pupil will automatically miss playtime. Pupils may also be removed from class for more serious misconduct without the use of warnings.

Other examples of sanctions

- Verbal warning
- Moved seat or place – to sit by an adult / or to work on your own.
- KS2 /KS1 Missed playtime
- Time out in another class – completing work in another class
- Time out with senior staff - this will be with the Head teacher, or senior teachers in her absence and will usually be for the remainder of the morning, lunchtime or afternoon session.

Fixed Term Exclusion

We will endeavour to avoid exclusion from school at all costs. A decision to exclude a pupil for a fixed period is taken only in response to very serious breaches of the school's Whole School Behaviour Policy, including persistent disruptive behaviour, where these are not serious enough to warrant permanent exclusion and lesser sanctions such as detention are considered inappropriate.

Permanent Exclusion

A decision to exclude a pupil **permanently** will be taken only:

- a) In response to serious breaches of the school's Whole School Behaviour Policy; and

- b) If allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school

A decision to exclude a pupil **permanently** is a serious one and will only be taken where the basic facts have been clearly established on the balance of probabilities and taking into account all the circumstances, the evidence available and the need to balance the interests of the pupil against those of the whole school community. It will usually be the final step in a process for dealing with disciplinary offences following a wide range of other strategies which have been tried without success. It is an acknowledgement by the school that it has exhausted all available strategies for dealing with the pupil and will normally be used as a last resort.

There will, however, be exceptional circumstances where, in the Head teacher's judgement, it is appropriate to permanently exclude a pupil for a first or 'one-off' offence.

Exclusions - The Right of Appeal and Legal Duties

Depending on the type of exclusion, in most cases, parents have the right to make representations to the governing body (or discipline committee). In all cases of permanent exclusion, parents have the additional right to appeal to an independent appeal panel.

The school has a duty to provide suitable full-time education for the excluded pupil from the sixth school day of any fixed period of exclusion of more than five consecutive school days. Local Authorities are under a duty to provide suitable full-time education from the sixth school day of a permanent exclusion.

Attendance and Punctuality

The school is required by law to keep a record of pupil attendance. In an emergency, such as a fire, it is essential that we have an accurate record of who is in school. Good attendance and punctuality are essential for good learning. They are also essential skills for later life. Pupils who are late are recorded as late on a regular basis are put in a lunch time.

If pupils are late or do not attend:

- Parent should telephone the school in the morning on the first day of their child's absence.
- Any absence needs to be explained, on return to school, by a letter or phone call from parent.
- Parent should contact the school again if an absence is more than three days. If they do not do so, the school will make attempts to contact them. In some circumstances this may also involve a home visit.

On return to school, the class teacher will ensure any work missed is completed – this may mean using playtimes

We strongly discourage parents from taking their children out of school for holidays or family outings during the school term. The Head teacher is no longer able to grant any leave of absence during term time unless there are 'exceptional' circumstances. Absences taken without the authorisation of the Head teacher will be recorded as 'unauthorised'.

8. Homework

Deadlines for homework will be made clear by each class teacher and a clear routine will be in place – this will differ for each class. Parents are encouraged to contact the school if it appears that homework is not being set. All homework must be completed by the due deadline.

9. Pupil Conduct and Misbehaviour Outside the School Premises

9.1 What the Law Allows

Teachers have a statutory power to discipline pupils for misbehaving outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives Head teachers a specific statutory power to regulate pupils' behaviour in these circumstances "to such extent as is reasonable."

Subject to the school's Behaviour Policy, the teacher may discipline a pupil for:

- any misbehaviour when the child is:
 - taking part in any school-organised or school-related activity; or
 - travelling to or from school; or
 - wearing the school uniform; or
 - in some other way identifiable as a pupil at the school.
- or misbehaviour at any time, whether or not the conditions above apply, that:
 - could have repercussions for the orderly running of the school; or
 - poses a threat to another pupil or member of the public; or
 - could adversely affect the reputation of the school.

9.2 Out of School Behaviour

This school is committed to ensuring our pupils act as positive ambassadors for us. Taking the above into account, we expect the following:

- good order on all transport (including public transport) to and from school, educational visits or other placements such as work experience or college courses.
- good behaviour on the way to and from school.
- positive behaviour which does not threaten the health, safety or welfare of our pupils, staff, volunteers or members of the public.
- reassurance to members of the public about school care and control over pupils in order to protect the reputation of the school.
- protection for individual staff and pupils from harmful conduct by pupils of the school when not on the school site.

The same behaviour expectations for pupils on the school premises apply to off-site behaviour.

9.3 Sanctions and Disciplinary Action – Off-site Behaviour

Sanctions may be given for poor behaviour off the school premises which undermines any of the above expectations and regardless of whether or not it is an activity supervised directly by school staff. Sanctions may be in the form of missed playtimes, fixed term exclusion or in very serious cases, permanent exclusion. In issuing sanctions, the following will be taken into account:

- The severity of the misbehaviour.
- The extent to which the reputation of the school has been affected.
- Whether pupils were directly identifiable as being members of the school.
- The extent to which the behaviour in question could have repercussions for the orderly running of the school and/or might pose a threat to another pupil or member of staff (e.g. bullying another pupil or insulting a member of staff).
- Whether the misbehaviour was whilst the pupil was on work experience, taking part in a course as part of a school programme, participating in a sports event (and in any situation where the pupil is acting as an ambassador for the school) which might affect the chances or opportunities being offered to other pupils in the future.

9.4 Pupil Support

We aim to support all our pupils to ensure that every child succeeds during their time at Haverigg School. Where it becomes clear that a child is having on-going difficulties in managing their behaviour, there are a wide range of strategies which are used to support pupils.

- Increased communication between home and school
- Individual behaviour support plans
- Support from the Inclusion Support Team which consists of the SENCo (Special Educational Needs Co-ordinator), teaching assistants, school mentor, inclusion support manager, home school liaison officer, work related learning co-ordinator etc.

- Small group work or 1:1 support in self-esteem, emotional literacy, anger management, nurture group sessions etc.
- Additional literacy or numeracy support where this is identified as a barrier to learning and impacts on the child's behaviour
- Alternative curriculum provision
- Reduced timetable with built in left brain activities to promote calmness and wellbeing
- Referral to outside agencies such as Educational Psychologist, Mental Health Worker, Behaviour Specialists, The Children's Centre

10. The Use of Reasonable Force

In order to maintain the safety and welfare of our pupils, it may sometimes be necessary to use reasonable force on a pupil, as permitted by law.

The Governing Body have taken account of advice provided by the DfE - *Use of reasonable force: advice for head teachers, staff and governing bodies* and the school's public sector equality duty set out in section 149 of the Equality Act 2010.

Force is generally used for two different purposes, either to control pupils or to restrain them. Control can mean either passive contact (standing between two pupils or blocking a pupil's path) or active physical contact (leading a pupil by the hand or arm, ushering a pupil away by placing a hand in the centre of the back).

All members of school staff have a legal power to use reasonable force. This power also applies to people whom the Head teacher has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying pupils on a school organised visit.

Any use of force by staff will be reasonable, lawful and proportionate to the circumstances of the incident and the seriousness of the behaviour (or the consequences it is intended to prevent). Reasonable force will be used only when immediately necessary and for the minimum time necessary to achieve the desired result and in order to prevent a pupil from doing or continuing to do any of the following:

- committing a criminal offence
- injuring themselves or others
- causing damage to property, including their own
- engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

Force will **never** be used as a punishment.

Whether it is reasonable to use force and to what degree, also depends on the age and understanding of the pupil and whether they have Special Educational Needs or disabilities. Medical advice will always be sought about the safest way to hold pupils with specific health needs, special educational needs and disabilities.

10.1 Action as a result of Self-defence or in an Emergency

All staff including teaching assistants, lunchtime supervisors, admin staff and the site management have the right to defend themselves from attack, providing they do not use a disproportionate degree of force to do so. Similarly, in an emergency, if for example, a pupil was at immediate risk of injury or at the point of inflicting injury on someone else, any member of staff is entitled to intervene. A volunteer helping in school would not be expected to work with a child who is known to need physical restraint as indicated in their Behaviour Management Plan.

10.2 Circumstances in which reasonable force might be used

Circumstances in which reasonable force might be used include the following:

- Pupils found fighting will be physically separated.

- Pupils who refuse to leave a room when instructed to do so may be physically removed.
- Pupils who behave in a way which disrupts a school event or a school trip or visit may be physically removed from the situation.
- Restraint may be used to prevent a pupil leaving a classroom where allowing him or her to do so would risk their safety or lead to disruptive behaviour. This may also include leading a pupil by the arm out of a classroom.
- Pupils at risk of harming themselves or others through physical outbursts will be physically restrained.
- In order to prevent a pupil from attacking a member of staff or another pupil.
- To prevent a pupil causing injury or damage by accident, by rough play, or by misuse of dangerous materials or an object.

10.3 Power to Use Reasonable Force when Searching Without Consent

In addition to the general power to use reasonable force, the Head teacher and authorised staff can use such force as is reasonable given the circumstances to conduct a search for 'prohibited items'. See Section 6.2 above.

10.4 Unreasonable Force

The type of force which will never be acceptable in our school includes:

- holding round the neck or any other hold that might restrict breathing;
- kicking, slapping or punching;
- forcing limbs against joints (e.g. arm locks);
- tripping or holding by the hair or ear;
- holding face down on the ground.

10.5 Staff training

All members of staff will receive training about the use of reasonable force appropriate to their role to enable them to carry out their responsibilities. This will include training on any restraint techniques which must not be used because they are known to present an unacceptable risk when used on children and young people. Some staff will receive additional training on the appropriate techniques which may be used to physically restrain pupils. The training will be to an approved nationally acceptable level and will be regularly refreshed.

10.6 Behaviour Management Plans

A pupil with a known challenging behaviour, a medical condition which affects behaviour patterns or who has special educational needs may be the subject of a Behaviour Management Plan. This Plan sets out specific ways in which the behaviour is controlled whilst on school premises and during any off-site visit. It may also include details on managing the pupil's behaviour whilst travelling to school on organised home-school transport.

In such circumstances, parents will always be made aware of their child's Behaviour Management Plan and will be asked to contribute to the content and control measures implemented in an attempt to apply consistency of sanctions and rewards both in school and at home. Wherever possible and appropriate, the child concerned will also be involved in creating the Behaviour Management Plan.

10.7 Informing Parents when Reasonable Force has been Used

In accordance with current good practice, the school will speak to parents about serious incidents involving the use of force and will record such serious incidents.

In making a decision about informing parents, the following will be taken into account:

- the pupil's behaviour and level of risk presented at the time of the incident;
- the degree of force used;

- the effect on the pupil or member of staff concerned; and
- the child's age.

All incidents when 'physical restraint' as opposed to 'physical control' is used will be recorded as soon as possible and details passed on to the Head teacher (or deputy in the absence of the Head teacher) who will follow up the incident where necessary. The following must be recorded:

- all incidents where unreasonable use of force is used;
- any incident where substantial force has been used e.g. physically pushing a pupil out of a room;
- use of restraint;
- an incident where a pupil is distressed though clearly not overreacting.

The following criteria will be used when considering the need for recording:

- (a) Did the incident cause injury or distress to a member of staff or pupil?
- (b) Even though there was no apparent injury or distress, was the incident sufficiently serious in its own right? Any use of restrictive holds, for example, fall into this category;
- (c) Did the incident justify force? This is particularly relevant where the judgement is finely balanced;
- (d) Does recording it help to identify and analyse patterns of pupil behaviour?

If the answer to any of the questions is 'yes', a written record should be made and held in a secure central location or recorded in the bound Record of Physical Intervention book (blue) and all other notes taken at the time are to be kept.

In all instances of the use of physical restraint, parents will be informed the same day, by phone and in writing, and invited into the school to discuss the incident unless to do so would result in significant harm to the pupil, in which case, the incident will be reported to the Cumbria Safeguarding Hub by the Head teacher/DSL.

All injuries will be reported and recorded in accordance with school procedures.

10.8 Post Incident Support

Serious incidents can create upset and stress for all concerned. After the incident ends it is important to ensure any staff and pupils involved are given first aid treatment for any injuries. Emotional support may also be necessary. Where required, immediate action will be taken to access medical help for any injuries that go beyond basic first aid. The school will then make a decision about how and when to contact the parents of the pupil to engage them in discussing the incident and setting out subsequent actions. After the incident the Head teacher and/or other staff will:

- (a) ensure the incident has been recorded;
- (b) decide whether multi-agency partners need to be engaged and, if so, which partners;
- (c) hold the pupil to account so that he or she recognises the harm caused or which might have been caused. This may involve the child having the chance to redress the relationship with staff and pupils affected by the incident. It may also mean the child is excluded. See Section 6.2 above.
- (d) help the pupil develop strategies to avoid such crisis points in the future and inform relevant staff about these strategies and their roles;
- (e) ensure that staff and pupils affected by the incident have continuing support as long as necessary in respect of:
 - physical consequences
 - emotional stress or loss of confidence
 - analysis and reflection of the incident

10.9 Follow up

In many cases there will be a follow-up meeting of key personnel to discuss the restraint incident and review the Behaviour Management Plan or other plans for pupils. It might also be appropriate to review the Whole School Behaviour Policy.

10.10 Other Physical Contact with Pupils

This school does not operate a 'no touch policy'. There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary.

- Holding the hand of the child at the front/back of the line when going to assembly or when walking together around the school.
- When comforting a distressed pupil.
- When a pupil is being congratulated or praised.
- To demonstrate how to use a musical instrument.
- To demonstrate exercises or techniques during PE lessons or sports coaching.
- To administer first aid.
- To apply sunscreen to the arms, face or lower legs of very young pupils or those with special educational needs who might struggle to apply it appropriately themselves.
- For identified children "calming strategies may involve touch to help ground them and feel connected – these children will be identified as having significant emotional needs – These will include ASC (in some cases but not all) attachment, high anxiety.

11. Allegations of Abuse against Staff and Other Adults Working in the School

11.1 General

All children and adults have a fundamental right to be protected from harm. All allegations of abuse will be taken seriously. (For more information, refer to the School Allegations procedure which is part of the Child Protection Policy).

The Governors of Haverigg School have a duty to safeguard and promote the welfare of children and create and maintain a safe learning environment (section 175 of the Education Act 2002). Our policy is to identify where there are child welfare concerns and take action to address them, in partnership with other organisations where appropriate, and in accordance with local inter-agency procedures.

School staff have a positive role to play in child protection, as their position often allows them to be able to observe outward signs of abuse and changes of behaviour in children. Because of their role however, they are also open to accusations of abuse. Such allegations may be true, but they may also be false, misplaced or malicious.

To fulfil its commitment to the welfare of children, this School has a procedure for dealing with allegations of abuse against members of staff, supply staff, volunteers and other children.

The procedure aims to ensure that all allegations are dealt with fairly, consistently and quickly and in a way that provides protection for the child, whilst supporting the person who is the subject of the allegation. Where an allegation is made against supply staff employed by an Agency, the school will take the lead and will collect the facts when an allegation is made. In such cases, we will involve the Agency in any further investigations and follow-up procedures.

In the event that a member of staff does not wish to report an allegation directly, or they have a general concern about malpractice within the school, reference can also be made to the school's Whistle Blowing procedures.

The procedure complies with the framework for managing cases of allegations of abuse against people who work with children, as set out in the statutory guidance 'Keeping Children Safe in Education' published by the DfE and the Cumbria SCB Core procedures.

11.2 Action in the Event of a Malicious Allegation

If an allegation is determined to be unfounded or malicious, the LA appointed Designated Officer (DO) will be informed via Cumbria Safeguarding Hub and will refer the matter to local authority children's social care services to determine whether the child concerned is in need of services, or may have been abused by someone else. In the event that an allegation is shown to have been deliberately invented or malicious, the Head teacher will consider whether any disciplinary action is appropriate against the pupil who made it, or the police will be asked to consider whether any action might be appropriate against the person responsible, including situations where the individual concerned was not a pupil. Such cases may be dealt with under the Protection from Harassment Act 1997.

The disciplinary action taken against a pupil might include detention, fixed term or permanent exclusion. Whatever action is taken will be discussed with the parent of the pupil concerned at an early stage.

12. Bullying

12.1 What is Bullying?

According to the DfE document 'Preventing and Tackling Bullying – Advice for Head teachers, staff and Governing Bodies, bullying may be defined as:

"Behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally".

Specific types of bullying include those relating to:

- race, religion, culture or gender;
- SEN or disabilities;
- appearance or health conditions;
- sexual orientation;
- young carers or looked after children or otherwise related to home circumstances;
- sexist or sexual bullying.

It can take place between pupils, between pupils and staff, parents and staff or between staff; by individuals or groups; face-to-face, indirectly or using a range of cyber bullying methods.

Acts of bullying can include:

- name-calling;
- taunting;
- mocking;
- making offensive comments;
- kicking;
- hitting;
- pushing;
- taking belongings;
- inappropriate text messaging and emailing;
- sending offensive or degrading images by phone or via the internet e.g. via Social Networking sites;
- producing graffiti;
- gossiping;
- excluding people from groups;
- spreading hurtful and untruthful rumours.

Many experts believe that bullying involves an imbalance of power between the perpetrator and the victim. This could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves. The imbalance of power can manifest itself in several ways. It may be physical, psychological (knowing what upsets someone), derive from an

intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate. It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

Cyber bullying can be defined as the use of information and communications technology particularly mobile phones and the internet, deliberately to upset someone else. Cyber bullying that occurs while pupils are under the schools direct supervision will be dealt with in line with this Policy (Whole School Behaviour Policy).

In cases where cyber bullying occurs while pupils are outside our direct supervision (i.e. at home), parents will be encouraged to report these incidents to the police as criminal laws (such as those pertaining to harassment, threatening and menacing communications) may apply. Parents are also encouraged to report such bullying to the school. If the alleged perpetrator is a member of this school community, the school will take action in line with this Behaviour Policy. The school wherever possible will support parents in this, and may impose a sanction upon the bully where this individual is recognisable.

12.2 The Law

Haverigg School endeavours to comply with the legal requirements placed on schools and the Governing body to determine detailed measures (rules, rewards, sanctions and behaviour management strategies) that “encourage good behaviour and respect for others on the part of pupils and in particular preventing all forms of bullying among pupils” Education and Inspections Act 2006 , section 89. The school will exercise its legal powers (as outlined in section 89/5) and (section 91, Education and Inspections Act 2006) as deemed appropriate and practicable.

Schools are required to comply with the new equality duty ‘The Equality Act 2010’. The public sector equality duty has three aims:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

12.3 Reporting and Recording Incidents of Bullying

Pupils and parents are encouraged to report bullying to any member of staff. Incidents are, in the first instance, referred to the pupil’s Class teacher or Head of Year to be investigated, appropriate action taken and parents will be informed promptly using usual school procedures. Pupil voice is important at this school and pupils are encouraged through various means to report any incidents of bullying behaviour which they encounter personally or become aware of. This is reinforced via assemblies, Anti-Bullying Week, PSHCE and during class/circle time. The Whole School Behaviour Policy also reinforces the school’s expectation as to how members of the school community should conduct themselves. A log will be maintained of racist incidents and information on incidents of bullying.

12.4 Tackling Bullying

The aim of any anti-bullying intervention is to safeguard and support the victim, discipline and modify the behaviour of the bully with a view to prevent, de-escalate and stop further incidents of harmful behaviour.

12.5 Strategies for Dealing with Bullying

- Ensuring that there is a promotion of an open and honest anti-bullying ethos in the school
- Investigate all allegations of bullying
- PSHCE programme that discusses issues such as diversity and anti-bullying messages
- Calendared anti-bullying week

- Poster and leaflet campaigns – designed and written by pupils
- Assemblies - both whole school and class/form that promote a sense of community
- Class discussions and role plays in Drama, English and RE that draw out anti-bullying messages
- Circle time
- Access to bully boxes
- Acceptable Internet Use Policy is signed by all and e-safety is discussed in ICT lessons.
- On-going staff induction and training programme
- Adequate staff supervision at lunch and break times
- Clear and consistently applied policies for Behaviour and Uniform

12.6 Strategies for Dealing with the Bully

- Disciplinary sanction imposed either exclusion or period of time in the inclusion room
- Engage promptly with parents to ensure their support and involvement
- Restorative justice approaches taken as appropriate
- One to one interviews with staff or peer mentors
- Work with the educational psychologist or other outside agency
- Anger management strategies discussed

12.7 Strategies to Support a Victim

- Disciplinary sanctions as appropriate applied to the bully
- Mediation
- Time out of lessons is required
- Short term modification of school timetable
- One to one parental interview, parental support and involvement
- Private diaries given
- Self-assertive strategies discussed

13. Drugs and Drug-Related Incidents

General

A drug is a substance which, when taken into the body, changes the way we feel, the way we see things and the way the body works. This section covers a range of drugs including medicines, tobacco, alcohol, solvents, novel psychoactive substances (so called 'legal highs'), volatile substances and illegal drugs and describes the school's approach to dealing with incidents of drug misuse. Apart from medicines prescribed to an individual, all other items listed above are classed as 'prohibited items' with respect to screening, searching and confiscation – Section 6.2 refers.

Drugs Education forms part of the PSHCE programme delivered in discrete sessions for all pupils.

- Current research indicates that drug use, both legal and illegal, is rising amongst young people.
- We do not support the misuse of tobacco, alcohol, solvents, illegal drugs and medicines by members of the school.
- Under no circumstances will the supply or sale of illegal drugs on the school site will be tolerated.
- The school believes it has a duty to inform and educate young people on the consequences of drug use and misuse.
- Fundamental to our school's values and practice is the principle of sharing the responsibility for education of young people with parents and carers by keeping them informed and involved at all times.
- Whilst we acknowledge that some young people will use and misuse substances, it is seen as important to recognise that the remainder of young people are choosing not to use or misuse substances. We will help individual learners according to their differing needs.

13.8 Responsibilities

The Head teacher has responsibility for supporting other members of staff in the implementation of these procedures. Mrs Narongchai is named as the designated senior member of staff with responsibility for the drug related procedures in this school and for disseminating any information on drug-related education.

Drug prevention is a whole school issue. All staff, both teaching and support staff, will be made aware of these procedures and how they relate to them should they be called upon to deal with a drug-related incident.

The site-manager regularly checks the school premises – any substances or drug paraphernalia found will be reported to the Head teacher and Senior Leadership Team and dealt with in accordance with these procedures.

13.9 Dealing with Drug-Related Incidents

The following provides our framework for dealing with incidents surrounding the use, suspicion of use and finding of drugs and substances. We recognise that drug use can be a symptom of other problems and, where appropriate, we will involve or refer pupils to other services. Within our school the following guidelines apply to the possession or use of drugs, alcohol and tobacco on school premises:

Medicines

Where pupils are prescribed medicines, cases will be dealt with on an individual basis and appropriate procedures will be followed (e.g. safe storage and administration of medicines in line with national guidance). Information for parents on this issue is available on request from the school.

Tobacco

In line with legislation, the school has a policy of No Smoking in the building and on the school site.

Alcohol

No alcohol is consumed during the course of the normal school day. Those hiring the school premises are not allowed to consume alcohol on site unless it has been authorised by the Governing Body and forms part of the Lettings Contract.

Solvents

The school will ensure that potentially harmful substances are stored safely, and pupils will be supervised carefully where such substances are used in the course of their work. The use of aerosol deodorants will be discouraged because of the potential risks to people with asthma or other bronchial problems.

Illegal substances

Illegal or illicit substances must not be brought to school or used on school premises.

13.10 What to do in the event of finding a drug or suspected illegal substance

- (1) Take possession of the drug/substance and inform the Head teacher/Senior Leadership Team member who will inform the Head teacher at the first available opportunity.
- (2) In the presence of a witness the article should be packed securely and labelled with the date, time and place of discovery.
- (3) The package should be signed by the person who discovered it and stored in a secure place.
- (4) The Head teacher will always involve the school's link community liaison police officer in the case of suspected drugs or illegal substances in school
- (5) In the event of discovering a hypodermic needle, the incident should be recorded and the following procedure should be observed in order to protect all persons:
 - Do **NOT** attempt to pick up the needle.
 - If possible, cordon off the area to make it safe.
 - Inform the Head teacher/Senior Leadership Team member.

13.11 The needle should be placed in a sharps box or other secure metal box and disposed of via a local medical surgery

13.12 What to do in the event of finding or suspecting a pupil is in possession of a drug/drug paraphernalia

- (1) Request that the pupil hand over the article(s).
- (2) Having taken possession of the substance/paraphernalia, the procedure should be followed as above.
- (3) **EXTREME CARE SHOULD BE TAKEN IF HYPODERMIC NEEDLES ARE INVOLVED.**

If a pupil refuses to hand over articles a search may be required - it should be noted that in accordance with current DfE advice:

- The Head teacher and other authorised staff can search lockers etc. without the permission of the pupil when looking for prohibited items.
- Teachers can search a pupil's outer clothing so long as a witness is present without the consent of the pupil. The personal search must be undertaken by a teacher of the same sex with the witness being the same sex wherever possible. Reasonable force may be used in order to complete the search.
- Pupils should be given the opportunity to empty their pockets, bag, etc. in the presence of a witness.

13.13 Procedures for dealing with a pupil suspected to be under the influence of a drug or substance

Stay calm, place the pupil in a quiet area, do not leave on their own and seek medical advice from the school's first aider who will assess the situation and act appropriately, the Head teacher/Senior Leadership Team member must also be informed.

Any suspected substances found should travel with the pupil if removed from the school for treatment. Vomit should be safely collected where possible by the school's First Aider and also taken with the pupil (for analysis).

All drug related incidents will be recorded.

13.14 When to contact the police/disciplinary action

- The Police will always be contacted in situations where controlled drugs are found. Any decisions made on the appropriate disciplinary action to be taken will take the Police advice into consideration. Further advice on this subject can be found in the NPCC guidance document [‘When to call the Police – Guidance for schools and colleges’](#)
- Where controlled drugs are found, these will be delivered to the police as soon as possible.
- Alcohol will be disposed of. Under no circumstances will alcohol be returned to the pupil.
- Tobacco or cigarette papers will also be disposed of in the same way as alcohol.
- If other substances are found which are not believed to be controlled drugs, these will be confiscated and disposed of in accordance with the school's procedures. This would include, for example, so called ‘legal highs’. Where staff suspect that a substance may be a controlled drug, they will treat them as controlled drugs and follow the procedure above.

In the event of a drug-related incident in the school, the school would co-operate with the police should they wish to search the premises.

As a result of a drug-related incident, the pupil(s) concerned will be subject to disciplinary action. This action may result in a fixed term exclusion and in the most serious of cases would result in permanent exclusion.

13.15 Procedures for dealing with drug-related incidents involving adults

The following examples are situations where concerns about drug misuse or related behaviour involve a parent or other adult rather than pupils:

- Adults may attend school premises under the influence of alcohol or drugs.
- A parent or adult may attempt to remove a child from school premises during or at the end of the school day whilst under the influence of alcohol or drugs.
- An adult may behave aggressively, intimidate or threaten staff or assault school staff or pupils whilst appearing to be under the influence of alcohol or drugs.
- School staff may be concerned that a parent or family member's drug misuse may put the child at risk.
- An adult may be involving pupils in drug misuse or the supply of drugs to pupils.

These examples are not exhaustive and in each case, the Head teacher will take into account the safety of the whole school community including staff when determining the appropriate course of action.

Where, in the opinion of school staff, it is thought that an adult is unable to provide appropriate care and supervision of a child because they are under the influence of drugs or alcohol, they will first attempt to contact an alternative adult carer for the child before contacting the LA Social Care Services and, if necessary, the police.

Where there are concerns over the safety of the child, school staff will attempt to persuade the adult not to leave the premises with the child until appropriate assistance arrives. If the adult insists on leaving the school, staff will immediately contact the police. This will also be the case if an adult becomes threatening or aggressive.

If school staff have concerns about an adult or adults supplying drugs on or near school premises, or to any of the pupils out with school premises, the Head teacher or other member of staff will consult with the police.

14. Behaviour of Parents and Other Visitors to the School

Haverigg School encourages close links with parents and the community. We believe that pupils benefit when the relationship between home and school is a positive one. The vast majority of parents, and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school is expressed, this can result in aggression, threatening behaviour, written, verbal and/or physical abuse towards a member of the school community.

Violence, threatening behaviour and abuse against school staff or other members of the school community will not be tolerated. When formulating our procedures, reference was made to the DfES document 'A Legal toolkit for schools – Tackling abuse, threats and violence towards members of the school community' and DfE non-statutory guidance 'Advice on School Security : Access and barring of individuals from school premises' (December 2012).

Our school expects and requires staff to behave professionally in these difficult situations, and to attempt to defuse the situation where possible, seeking the involvement as appropriate of other colleagues. However, all members of the school community (including other parents and visitors) have the right to visit and work without fear of violence and abuse, and the right in an extreme case, of appropriate self-defence.

We expect parents and other visitors to behave in a reasonable way towards other members of the school community. The following outlines the steps that will be taken where parent or visitor behaviour is unacceptable.

14.1 Types of behaviour that are considered serious and unacceptable

The following list outlines the types of behaviour that are considered serious and unacceptable and will not be tolerated towards any member of the school community. This is not an exhaustive list but seeks to provide illustrations of such behaviour:

- Shouting, either in person or over the telephone.
- Speaking in an aggressive/threatening tone.

- Physical intimidation e.g. standing very close to her/him.
- The use of aggressive hand gestures/exaggerated movements.
- Physical threats.
- Shaking or holding a fist towards another person.
- Swearing.
- Pushing.
- Hitting, e.g. slapping, punching or kicking.
- Spitting.
- Racist or sexist comments.
- Sending inappropriate or abusive e-mails to school staff or to the general school e-mail address
- Publishing or posting derogatory or inappropriate comments which relate to the school, its pupils or staff/volunteers on a social networking site
- Breaking the school's security procedures

Unacceptable behaviour may result in the Police being informed of the incident.

14.2 Procedures for Dealing with Unacceptable Behaviour

When a parent or member of the public behaves in an unacceptable way during a telephone conversation, staff at the school have the right to terminate the call. The incident will be reported by staff to the Senior Management Team. The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to verbal abuse. The school may warn the aggressor, temporarily or permanently ban them from the school site, and/or contact the police.

When any parent or visitor behaves in an unacceptable way in person towards a member of the school staff, a member of the Senior Management Team will seek to resolve the situation through discussion and mediation. If necessary, the school's complaints procedure should be followed. Where all procedures have been exhausted, and aggression or intimidation continues, or where there is an extreme act of violence, the discussion will be terminated and the visitor will be asked to leave the school immediately. It is also an offence under section 547 of the *Education Act 1997* for any person (including a parent) to cause a nuisance or disturbance on school premises. The police will be called if necessary. The perpetrator may also be banned from the school premises for a period of time, which will be determined by the school.

Prior to a ban being imposed, the following steps will be taken:

- Depending on the severity of the incident, the individual may first be issued with a written warning stating that if a similar incident occurs, the individual concerned will be banned (temporarily or permanently) from the school premises.
- In more serious cases, the individual will be informed, in writing, that she/he is banned from the premises temporarily, subject to review, and what will happen if the ban is breached.
- Extreme incidents will result in a permanent ban being enforced immediately. The individual will be informed in writing of the permanent ban but will be given the right to appeal in writing against the decision.
- In all cases, parents will still have the opportunity to discuss any issues relating to their child with school staff.
- Incidents of verbal or physical abuse towards staff may result in the police being informed, and may result in prosecution.

If an individual is intimidating, threatening or aggressive towards a member of the school community any interaction will be terminated immediately and the person will be instructed to leave the premises. Further action may be taken by the school.

Haverigg School will take action where behaviour is unacceptable or serious and breaches this Whole School Behaviour Policy.

14.3 Unacceptable Use of Technology

Haverigg School takes the issue of unacceptable use of technology by any member of the school community very seriously.

We expect parents and other adults within the school community to act responsibly when using on-line technologies. The expectation of parents is set out on page 4. Failure to comply with these expectations could result in parents and/or other adults being banned either temporarily or permanently from the school site, and the incident may be reported to the police.

Acceptable use agreements exist for pupils, staff and governors of Haverigg School and form part of our e-Safety Policy.
