

Haverigg Primary News

Friday 14th March 2025

We have received numerous concerns from the public recently regarding the speed at which cars drive along Poolside, Main street and Atkinson street. Haverigg school played a big part in the initiation of the 20 is Plenty campaign for the village some years ago for this very reason.

We do appreciate how congested it can be at pick up and drop off times but please can we remind everyone to watch their speed, **NOT** to drop off / collect in Atkinson street where lots of children are present. Children are small and unpredictable, making them very vulnerable at busy, congested times. We have contacted the police to keep up with regular checks and monitor. Also, just a polite reminder that the car park at the end of Atkinson street is for Haverigg Nursery and the Lighthouse Centre use only, **NOT** our school, you may be asked to move if needed.

UPDATE

We were alarmed to hear of two parents / grandparents this week driving through or around (on the pavement) the traffic cones placed in the road to allow bus children to cross the road safely. The traffic cones are there to ensure your children's safety; please can we ask that this is respected.

Your co-operation is essential to help us to keep your children safe.
Thank you.

Parent Meetings

Appointment slips for parent / teacher meetings week commencing 24th March, will be going home with children early next week. Please look out for them in reading bags. Thank you.

Thank you for all of the wonderful donations of chocolate from our non-uniform day. We have made up 82 prizes for our Easter Chocolate Raffle! Pictured are just a small selection of all the chocolate goodies. The last day to purchase tickets will be Monday 31st March and the raffle will be drawn during the last week of term. We do have spare envelopes for ticket purchases if anyone needs any extras for friends or family, just call at the office to collect. Thank you and good luck!

Attendance Matters

Every Day Counts....

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

Key daily timings:

8:50 to 9:00 → Register takes place
After 9:00 → Late mark in register
After 9:30 → unauthorised absence
