Mini Egg Safety - The Child Accident Prevention Trust are sharing the following warning regarding Mini Eggs. It's that time of year again when mini eggs are lining the shelves.

Did you know that Mini Eggs are the perfect size and shape to completely block a small child's airway and choke them? Or that their hard shell can make it difficult to dislodge with standard first aid techniques?

This is why they are not recommended for small children. Please stay safe and choose an alternative treat for your smaller children this Easter, such as a larger hollow egg.

Attendance Matters

Every Day Counts...

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

Key daily timings:

8:50 to 9:00 → Register takes place
 After 9:00 → Late mark in register
 After 9:30 → unauthorised absence

Safety Concerns on Atkinson Street

Dear Parents and Carers,

It is with increasing concern that I write to you about the traffic issues we have along Atkinson Street at drop off and pick up times and the danger this is posing to children's safety. We have again had a near miss this morning.

Despite previous requests and safety concerns, we continue to have vehicles driving along Atkinson Street and dropping children off/picking children up next to the school gates and parking on the zig zag lines; these cars are then turning around in the Lighthouse Centre carpark. We also still have cars using the back streets around Atkinson Street.

These ongoing safety concerns were raised again at our full governors meeting this week and it is clear that we need to reinforce the following steps to ensure school drop off and pick up times are as safe as we can possibly make them. So, please can we ask that:

- **No vehicles (other than taxi drop off and pick up) drive down Atkinson street to drop school children off between 8:30am and 9:00am / 3:00pm and 3:30pm.**
- **This should mean that no cars are parked on the yellow school zig zags at all, leaving the road clear and visibility good. We will be asking the police to enforce this.**

We realise the challenges of getting children to and from school, however if everyone complies with these requests we will be ensuring that drop off and pick up times are safer for our children and families. The last thing we want is for a child to get injured or worse – this is the reality we are facing.

Please can we ask that you pass this information onto any family members who pick up/drop off your child/children at school.

Many thanks

Head teacher

Attendance matters

24th October 2025

Dear parents and carers,

This academic year we have once again had increasing numbers of families taking children out of school for holidays during term time. As you will all be aware, schools must consider enforcement action if a child/young person has 10 or more unauthorised sessions (equivalent to five days). While schools and local authorities will generally offer support to improve attendance first, persistent unauthorised absences or term-time holidays may result in a Fixed Penalty Notice or prosecution.

As part of our ongoing attendance monitoring and in line with the Cumberland attendance strategy, we will now be passing on attendance casefiles to the local authority where we feel the threshold has been met for fixed term penalty.

Reminder of Attendance expectations:

- Ensure your child/young person attends every day the school is open; except when a legal reason applies
- Notify the school as soon as possible when your child/young person is unexpectedly absent
- Book any medical appointments around the school day where possible
- Only request leave of absence in exceptional circumstances and do so in advance (please note: family holidays are not generally considered exceptional circumstances and all leave of absence requests are considered at the headteacher's discretion)

Please also be aware that taking your child out of school after registration in the afternoon will still count as an unauthorised session as they are not in school during the afternoon.

Head teacher

CHANGES TO FINES FOR UNAUTHORISED ABSENCES

With the introduction of the new National Framework for penalty notices, the following changes will come into force for fixed penalty notice fines issued for unauthorised absences recorded by schools after 19 August 2024.

Fixed Penalty Notices are issued in lieu of prosecution. The decision on whether to issue an FPN or prosecute rests with the Local Authority and is made on a case-by-case basis.

National threshold

There will be a single, consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to five full school days) of unauthorised absence within a rolling 10 school week period.

For example: a five-day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Who may be fined?

Penalty notice fines are issued to each parent who allows their child/young person to be absent from school.

For example: three siblings absent for term time leave would result in each parent who allowed the holiday receiving three separate fines.

First offence

The first time a penalty notice is issued for an unauthorised term time holiday, the fine amount will be:

£80 per parent, per child/young person if paid within 21 days, increasing to £160 if paid between days 22-28.

Second offence (within three years)

The second time a penalty notice is issued for unauthorised absence, the amount will be: £160 per parent (who allowed the holiday), per child/young person, payable within 28 days.

Third offence and any further offences (within three years)

The third time an offence is committed, a penalty notice will not be issued and local authorities will need to consider other available measures to address the absence concerns.

This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500 and/or a term of imprisonment not exceeding three months.

Please note any monies collected through fines come back to Cumberland Council to facilitate attendance support and not to schools.

POMS Cluster Attendance Agreement 2025 - 2026

Guidance on authorised term-time pupil absence

The Education Regulations 2013 [aka, the Regulations] which came into force on 1 September 2013, made it clear that headteachers may not grant any leave of absence during term time unless "exceptional circumstances" prevail. The regulations also state that headteachers should determine the number of school days a pupil can be away from school if they grant a leave request because of "exceptional circumstances".

The fundamental principles for defining "exceptional circumstances" are that they are 'rare, significant, unavoidable and short'.

POMS cluster Headteachers have worked together to agree some guiding principles for headteachers to consider when families request absence during term-time. This will ensure consistency across the cluster and ensure all schools are sending the same message surrounding the importance of attendance at school.

Guiding Principles

1. Term times are for education. Children and families have 175 days off school to spend time together, including weekends and school holidays. Headteachers will rightly prioritise attendance. The default school policy should be that absences will not be granted during term time apart from in "exceptional circumstances".
2. The decision to authorise a pupil's absence is wholly at the headteacher's discretion based on their assessment of and circumstances of each individual request. POMS Headteachers have worked collaboratively to agree a shared approach. Schools in the POMS cluster will follow these agreed principles.
3. If an event can be reasonably scheduled outside of term time, then it will not be authorised. Holidays are, therefore, not considered exceptional circumstances.
4. Absence from school to visit seriously-ill relatives or for bereavement of a close family member are usually considered to amount to 'exceptional circumstances', but for the funeral service not for extended leave.
5. Absences for important religious observances are often considered, but only for the ceremony and not for extended leave. This is intended for one-off situations rather than regular or recurring events
6. Schools may wish to take the needs of the families of service personnel into account if they are returning from long operational tours that prevent contact during scheduled holiday time.
7. Whilst as school settings we must make reasonable adjustments for pupils with special educational needs or disabilities in school time. Regarding attendance, we work closely with our colleagues from our local special schools. In line with their guidance, we would not consider requests that are based on holidays during quieter times.
8. Families may need time together to recover from a trauma or crisis.
9. POMS schools will consider a pupil's historical record of attendance when making absence-related decisions
10. It is important to note that headteachers can determine the length of the authorised absence as well as whether an absence is authorised.
11. Absence will only be authorised where proper request procedures have been followed and the permission given.
12. Tickets and/or other travel arrangements should not be booked prior to discussion with and agreement of the school.
13. Parents and Carers should not confuse telling the school about an absence with having permission.
14. Whether alternative care arrangements have been considered by the parent to limit the time away from school.
15. The impact on any interventions, assessments or referrals being undertaken with the child or family, for example, family support, social care assessments, CAMHS, SEN.
16. The potential impact that the absence will have on the child.

This guidance has been agreed by all schools in the POMS (Partnership of Millom Schools) cluster;

Parkview Nursery School
Millom Infant School
Black Combe Junior School
Haverigg Primary School
St James' Catholic Primary School

Healthy Packed Lunch Policy

How to pack a well-balanced lunch box - focus on the food groups

To be in-line with the School Food Standards set by the Department for Education, we feel this is a very reasonable packed lunch policy and one which we would like all parents to work towards achieving **one small change at a time**. We do understand that some children struggle with change but, the healthier choices you can gradually make, the better your child's health will be.

Packed lunches should include:

- At least one portion of fruit and one portion of vegetables every day.
- Meat, fish, eggs, or a non-dairy protein (e.g. lentils, kidney beans, chickpeas, houmous or falafel) every day.
- Oily fish, such as salmon, at least once every three weeks.
- A starchy food such as any type of bread, pasta, rice, couscous, noodles, potatoes or another cereal every day.
- A dairy food such as milk, cheese, yoghurt, fromage frais or custard every day.
- A drink of water, fruit juice or smoothie (maximum portion 150ml), or semi-skimmed milk or skimmed milk, yoghurt or another milk drink.

Packed lunches can occasionally include:

- Meat products such as sausage rolls, individual pies, corned meat and sausages.
- Cakes and biscuits - but encourage your child to eat these as part of a meal and be mindful of appropriate portion sizes.

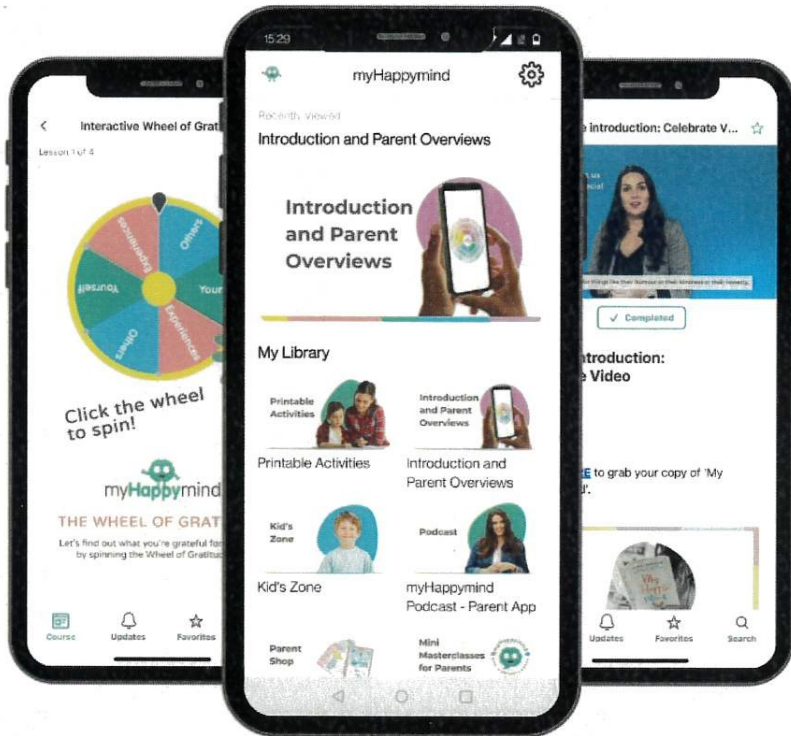

Packed lunches should not include:

- Nuts or nut butters (we do have children in school with allergies)
- Salty snacks such as crisps.
- Confectionery such as chocolate bars, chocolate-coated cereal bars, processed fruit bars and sweets.
- Sugary soft drinks, such as squash and fizzy drinks.
