

Haverigg Primary News

Friday 23rd May 2025

Sports day on Monday 16th June 12.30pm at Haverigg Cricket Club, with a reserve date of Wednesday 18th June. We look forward to seeing you all there to cheer the children along!

Half Term - Have a lovely week off and see you all back at school on Monday 2nd June to start our remaining 7 weeks of the school year!

Making the most of the lovely weather, Year 3 enjoyed a visit to the beach earlier this week to plan their descriptive writing...and have a little fun too!

Samba Drumming Workshop - fun day today...you may have heard us!

Congratulations to this week's Lighthouse Winners

Reception Miss Blackburn	Kailani - for always being such a happy member of our class. It is lovely to see how much you enjoy learning. Well done!
Year 1 Miss Leece	Ivy W - for your amazing independent writing this week. You have worked really hard to write a character description and to retell a story, all with beautiful handwriting!
Year 2 Mrs Redhead	Eloise - Eloise could get the Lighthouse Award every week for working hard but this week she has particularly impressed us with the work she has produced at home. Her homework project to research an Amazon Rainforest animal was fantastic and she stood confidently in front of the class and delivered her presentation - teaching us all lots of interesting facts and answering our questions about Poison Dart Frogs.
Year 3 Miss Musgrave	Lucy - for her amazing science work! It was lovely to see Lucy so confident to share her ideas with the class. We were also very impressed with her writing about our Egyptian day!
Year 4 Miss Usher	Mia - for growing in confidence this term with her maths work. Her positive and confident attitude really is having a fantastic impact on her learning and her progress is super. This is evident in the classroom and also in the Sumdog challenges she is completing at home. Well done superstar!
Year 5 Mr Knowles	Oscar - for working so hard across all areas, being a great friend to others and for being a fantastic role model at our rounder's tournament this week. Thank you Oscar.
Year 6 Miss Marinovich	Philippa - for being such a great member of year 6 and role model to others. She always displays our school values and is kind to others and respectful. Well done Philippa - you are such a wonderful person to have in our school and we appreciate all you do!

At Haverigg Primary School we take the safety and welfare of your children very seriously. If you have any concerns regarding the safety and wellbeing of any children at Haverigg school please speak to Mrs Narongchai (our designated safeguarding leader), or Miss Musgrave / Mrs Redhead, (our deputy safeguarding leaders), in her absence.

Thank you for our new steps!

A big thank you to Moortown for building our new steps during the Easter holidays. Moortown are an engineering firm currently engaged at HMP Haverigg and have raised funds to help support local communities by re-cycling scrap metal. The children love the new area, lots of opportunities for playtime chats!

Attendance Matters

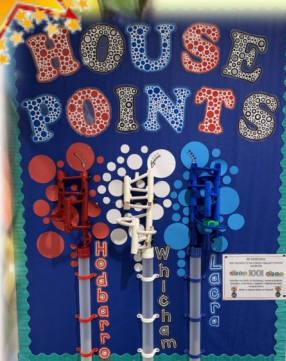

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

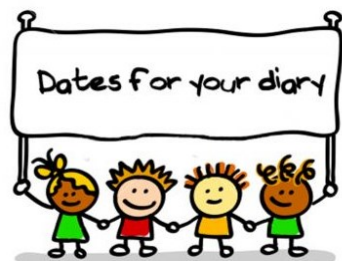

Key daily timings:

8:50 to 9:00 → Register takes place
After 9:00 → Late mark in register
After 9:30 → unauthorised absence

POLICE MESSAGE
Parking problems at drop-off and pick-up times

Dear Parent/Carer,

Concerns have been raised about parking around the school at peak times. Examples of poor parking have included blocked pavements, parking over dropped curbs, on zig-zag road markings and other access points. This seriously increases the risk of harm to children trying to safely cross the road, as well as causing access problems for local residents.

To help minimise the risk to children and ease the disruption to residents by those that park in this way, police will be conducting an operation to educate motorists on parking laws and if necessary, prosecute those who park illegally.

Drivers, who have not done so to date, are asked to park legally and considerately, away from the school entrances and only park against full kerbs.

Please do not park or pull over to drop children off in front school entrances, driveways, zig-zag road markings and dropped kerbs. Please also avoid parking in front of the pedestrian entrance to the school site. Failure to do so could result in a prosecution leading to a FINE or even PENALTY POINTS being issued for certain offences.

Please see leaflet accompanying this letter for details of road signs and markings which show where you shouldn't park.

What can you do to help?

There are a number of ways you can help resolve this community matter:

- Those living nearby can avoid the cost and inconvenience to themselves and others by walking children to and from school.
- Parents can consider lift sharing with friends and/or neighbours.
- Using the parking spaces on nearby roads which are often unused, would relieve pressure on areas closer to school entrance points.
- Allow yourself more time to find safe considerate parking.

Your help and efforts to resolve this issue is appreciated by the police and the school management. Your local policing team would be happy to discuss any issues or concerns you have with these issues.

Kind regards

Your Neighbourhood Policing Team
