## Attendance Matters

### Every Day Counts....

**What is considered good attendance?** Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

**POLICE MESSAGE**  
**Parking problems at drop-off and pick-up times**

Dear Parent/Carer,

Concerns have been raised about parking around the school at peak times. Examples of poor parking have included blocked pavements, parking over dropped curbs, on zig-zag road markings and other access points. This seriously increases the risk of harm to children trying to safely cross the road, as well as causing access problems for local residents.

To help minimise the risk to children and ease the disruption to residents by those that park in this way, police will be conducting an operation to educate motorists on parking laws and if necessary, prosecute those who park illegally.

*Drivers, who have not done so to date, are asked to park legally and considerately, away from the school entrances and only park against full kerbs.*

*Please do not park or pull over to drop children off in front school entrances, driveways, zig-zag road markings and dropped kerbs. Please also avoid parking in front of the pedestrian entrance to the school site. Failure to do so could result in a prosecution leading to a FINE or even PENALTY POINTS being issued for certain offences.*

*Please see leaflet accompanying this letter for details of road signs and markings which show where you shouldn't park.*

**What can you do to help?**

There are a number of ways you can help resolve this community matter:

- Those living nearby can avoid the cost and inconvenience to themselves and others by walking children to and from school.
- Parents can consider lift sharing with friends and/or neighbours.
- Using the parking spaces on nearby roads which are often unused, would relieve pressure on areas closer to school entrance points.
- Allow yourself more time to find safe considerate parking.

Your help and efforts to resolve this issue is appreciated by the police and the school management. Your local policing team would be happy to discuss any issues or concerns you have with these issues.

Kind regards

Your Neighbourhood Policing Team
