Teacher / Parent meetings next week - Appointment times have gone home with children today.

TEMPEST PHOTOGRAPHY

Tempest Photography will be in school on **Wednesday 18th November** to take individual and sibling photographs. All children will automatically have their individual photo taken and also one with their siblings from other classes. If you require a photo of your children with a pre-schooler, please arrive at school for 8.30am as these will be taken first. You are under no obligation to purchase any of these photographs. Information will go home on how you can place any orders online. Any children who have PE that day, please come in your uniform and bring PE kits with you. Thank you.

All ready for our Remembrance Assembly today.

Another lovely Remembrance assembly this afternoon, with some very special visitors who told the children about the importance of remembering all the people who have served in the armed forces and the role they played in the freedom we enjoy today. There will be Remembrance services held on Sunday 8th November at the Cenotaph in Millom at 11am and then 3pm at St Luke's war memorial. (2.30pm from the Harbour Hotel to march down).

Some lovely Remembrance poppy crafting by Year 4

Why the Poppy? During World War One, the battlefields were rough and muddy. Once the fighting stopped, beautiful bright red poppies grew all over the fields.

A Symbol of Hope: Today, wearing a paper poppy shows respect and reminds us of the sacrifices made.

Helping Others: Buying a poppy raises money for the Royal British Legion, which looks after veterans and their families today.

Attendance Matters

Every Day Counts....

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

Key daily timings:

8:50 to 9:00 → Register takes place
After 9:00 → Late mark in register
After 9:30 → Unauthorised absence

An eye-opening film that outlines the current climate emergency we face, the key challenges and the actions needed at local and global levels.

People's Emergency Briefing

On Saturday the 21st November, we will be hosting a screening of the People's Emergency Briefing at the Lighthouse Centre at 2:30 pm.

This powerful and thought-provoking film presents the latest evidence about the climate and nature crises and explores the impact they are already having on our lives and communities. Bringing together insights from a range of experts, it offers a clear, informative and often eye-opening overview of the challenges we face.

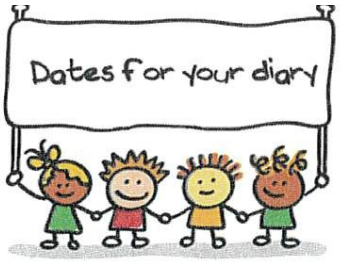

While the content is honest and at times challenging, the film is ultimately hopeful and empowering. Rather than leaving viewers feeling overwhelmed, it encourages positive action and helps people understand the difference that individuals and communities can make.

Following the screening, there will be an opportunity to discuss the issues raised and explore practical ways we can move forward, both as individuals and together as a community.

Please note that this is not a film intended for children, but it is recommended for anyone aged 16 and over and I would urge you, as parents, to try and make time to come.

We hope you will join us for what promises to be an engaging, informative and inspiring afternoon.

Tea, coffee and biscuits will be provided.

Attendance matters **24th October 2025**

Dear parents and carers,

This academic year we have once again had increasing numbers of families taking children out of school for holidays during term time. As you will all be aware, schools must consider enforcement action if a child/young person has 10 or more unauthorised sessions (equivalent to five days). While schools and local authorities will generally offer support to improve attendance first, persistent unauthorised absences or term-time holidays may result in a Fixed Penalty Notice or prosecution.

As part of our ongoing attendance monitoring and in line with the Cumberland attendance strategy, we will now be passing on attendance casefiles to the local authority where we feel the threshold has been met for fixed term penalty.

Reminder of Attendance expectations:

- Ensure your child/young person attends every day the school is open; except when a legal reason applies
- Notify the school as soon as possible when your child/young person is unexpectedly absent
- Book any medical appointments around the school day where possible
- Only request leave of absence in exceptional circumstances and do so in advance (please note: family holidays are not generally considered exceptional circumstances and all leave of absence requests are considered at the headteacher's discretion)

Please also be aware that taking your child out of school after registration in the afternoon will still count as an unauthorised session as they are not in school during the afternoon.

CHANGES TO FINES FOR UNAUTHORISED ABSENCES

With the introduction of the new National Framework for penalty notices, the following changes will come into force for fixed penalty notice fines issued for unauthorised absences recorded by schools after 19 August 2024.

Fixed Penalty Notices are issued in lieu of prosecution. The decision on whether to issue an FPN or prosecute rests with the Local Authority and is made on a case-by-case basis.

National threshold

There will be a single, consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to five full school days) of unauthorised absence within a rolling 10 school week period.
For example: a five-day holiday would meet the national threshold.
The 10-school week period can span different terms or school years.

Who may be fined?

Penalty notice fines are issued to each parent who allows their child/young person to be absent from school.
For example: three siblings absent for term time leave would result in each parent who allowed the holiday receiving three separate fines.

First offence

The first time a penalty notice is issued for an unauthorised term time holiday, the fine amount will be:
£80 per parent, per child/young person if paid within 21 days, increasing to £160 if paid between days 22-28.

Second offence (within three years)

The second time a penalty notice is issued for unauthorised absence, the amount will be:
£160 per parent (who allowed the holiday), per child/young person, payable within 28 days.

Third offence and any further offences (within three years)

The third time an offence is committed, a penalty notice will not be issued and local authorities will need to consider other available measures to address the absence concerns.
This may mean that cases are presented before a Magistrate's Court.
Prosecution can result in criminal records and fines of up to £2,500 and/or a term of imprisonment not exceeding three months.

Please note any monies collected through fines come back to Cumberland Council to facilitate attendance support and not to schools.

POMS Cluster Attendance Agreement 2025 - 2026

Guidance on authorised term-time pupil absence

The Education Regulations 2013 [aka, the Regulations] which came into force on 1 September 2013, made it clear that headteachers may not grant any leave of absence during term time unless "exceptional circumstances" prevail. The regulations also state that headteachers should determine the number of school days a pupil can be away from school if they grant a leave request because of "exceptional circumstances".
The fundamental principles for defining "exceptional circumstances" are that they are 'rare, significant, unavoidable and short'.
POMS cluster Headteachers have worked together to agree some guiding principles for headteachers to consider when families request absence during term-time. This will ensure consistency across the cluster and ensure all schools are sending the same message surrounding the importance of attendance at school.

Guiding Principles

1. Term times are for education. Children and families have 175 days off school to spend time together, including weekends and school holidays. Headteachers will rightly prioritise attendance. The default school policy should be that absences will not be granted during term time apart from in "exceptional circumstances".
2. The decision to authorise a pupil's absence is wholly at the headteacher's discretion based on their assessment of and circumstances of each individual request. POMS Headteachers have worked collaboratively to agree a shared approach. Schools in the POMS cluster will follow these agreed principles.
3. If an event can be reasonably scheduled outside of term time, then it will not be authorised. Holidays are, therefore, not considered exceptional circumstances.
4. Absence from school to visit seriously-ill relatives or for bereavement of a close family member are usually considered to amount to 'exceptional circumstances', but for the funeral service not for extended leave.
5. Absences for important religious observances are often considered, but only for the ceremony and not for extended leave. This is intended for one-off situations rather than regular or recurring events
6. Schools may wish to take the needs of the families of service personnel into account if they are returning from long operational tours that prevent contact during scheduled holiday time.
7. Whilst as school settings we must make reasonable adjustments for pupils with special educational needs or disabilities in school time. Regarding attendance, we work closely with our colleagues from our local special schools. In line with their guidance, we would not consider requests that are based on holidays during quieter times.
8. Families may need time together to recover from a trauma or crisis.
9. POMS schools will consider a pupil's historical record of attendance when making absence-related decisions

10. It is important to note that headteachers can determine the length of the authorised absence as well as whether an absence is authorised.
11. Absence will only be authorised where proper request procedures have been followed and the permission given.

12. Tickets and/or other travel arrangements should not be booked prior to discussion with and agreement of the school.

13. Parents and Carers should not confuse telling the school about an absence with having permission.

14. Whether alternative care arrangements have been considered by the parent to limit the time away from school.

15. The impact on any interventions, assessments or referrals being undertaken with the child or family, for example, family support, social care assessments, CAMHS, SEN.

16. The potential impact that the absence will have on the child.

This guidance has been agreed by all schools in the POMS (Partnership of Millom Schools) cluster;
Parkview Nursery School
Millom Infant School
Black Combe Junior School
Haverigg Primary School
St James' Catholic Primary School
Thwaites Nursery & Primary School
