REMINDER

Nasal Flu Vaccinations

We still have quite a few consents / non consents missing. Please remember you need to complete even if you do not want your child to have the vaccine. The school immunisation team will be in school on the **7th October 2026** to administer the nasal flu vaccination to all year groups. Parents were sent an reminder email with a link to give your consent or non consent. Please could this be actioned as soon as possible.

QR code on page 8 to consent or non consent. Thank you.

Polite reminder - please can we remind parents / grandparents not to park in the Lighthouse Centre / Nursery car park or Atkinson street at school pick up / drop off times. The car park is for the use of the Lighthouse Centre and Haverigg Nursery only and parking on Atkinson street during our busy times impacts your child's safety. **Thank you.**

Year 6 have been learning all about light and shadows during their science topic, they've been grouping light sources; discovering objects that are translucent, opaque and transparent and learning how are shadows are formed. Looks like great fun!

Congratulations to this week's Lighthouse Winners

Reception Miss Blackburn	Bonnie - for being engaged in all that we do and settling in so well to school life. Bonnie has a super thinking brain and is always ready to share her wonderful ideas with the class. She is also a SUPERSTAR at tidying up! Well done Bonnie!
Year 1 Miss Leece	Bella - for being a gymnastics superstar. You impressed Miss Needham and Miss Norris with your natural skill whilst practising rolls and using the springboard. You also impressed us with your determination in literacy this week. Well done Bella.
Year 2 Mrs Redhead	Reggie -for being an absolute superstar. He is polite, kind, has made an amazing start to the Year, striving to be his very best and setting an amazing example to his class. Even the children were guessing it was going to be you this week Reggie so it was an easy choice!
Year 3 Mr Knowles	Dorothy - Dorothy shows fantastic learning behaviours and excellent manners in class, making her a joy to teach. Not only this, her descriptive work in literacy this week has really impressed me. Well done Dorothy!
Year 4 Miss Usher	Lydia - Lydia is someone who could win the lighthouse award every week. Whatever job she is given to do, she gives 100% and perseveres when something is tricky. Lydia is always keen to do her very best and will always listen and respond to any advice given to her by teachers. Her input into performing the class poem this week was also amazing! Well done Lydia, keep being you!
Year 5 Miss Marinovich	Harrison - for showing fantastic independence and making the move up to Year 5 so brilliantly. He is completing all of his work independently and is managing all of the new Year 5 routines really well – We are so proud of how well you have settled in, Harrison. Keep it up!
Year 6 Miss Musgrave	Freya H - for her OUTSTANDING poem: "The Storm!" We are so impressed with your ability to use personification, similes and metaphors. You have had a fabulous start to Year 6 Freya - well done!

At Haverigg Primary School we take the safety and welfare of your children very seriously. If you have any concerns regarding the safety and wellbeing of any children at Haverigg school please speak to Mrs Narongchai (our designated safeguarding leader), or Miss Musgrave / Mrs Redhead, (our deputy safeguarding leaders), in her absence.

If you are interested in joining us, please join us at our next meeting on **Tuesday 29th September 5.30pm in school**. We will be planning the Christmas fayre and any suggestions and ideas will be much appreciated. If you would like to join us, please let the school office know. Thanks all.

Attendance Matters

Every Day Counts....

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

Attendance matters

24th October 2025

Dear parents and carers,

This academic year we have once again had increasing numbers of families taking children out of school for holidays during term time. As you will all be aware, schools must consider enforcement action if a child/young person has 10 or more unauthorised sessions (equivalent to five days). While schools and local authorities will generally offer support to improve attendance first, persistent unauthorised absences or term-time holidays may result in a Fixed Penalty Notice or prosecution.

As part of our ongoing attendance monitoring and in line with the Cumberland attendance strategy, we will now be passing on attendance casefiles to the local authority where we feel the threshold has been met for fixed term penalty.

Reminder of Attendance expectations:

- Ensure your child/young person attends every day the school is open; except when a legal reason applies
- Notify the school as soon as possible when your child/young person is unexpectedly absent
- Book any medical appointments around the school day where possible
- Only request leave of absence in exceptional circumstances and do so in advance (please note: family holidays are not generally considered exceptional circumstances and all leave of absence requests are considered at the headteacher's discretion)

Please also be aware that taking your child out of school after registration in the afternoon will still count as an unauthorised session as they are not in school during the afternoon.

Head teacher

CHANGES TO FINES FOR UNAUTHORISED ABSENCES

With the introduction of the new National Framework for penalty notices, the following changes will come into force for fixed penalty notice fines issued for unauthorised absences recorded by schools after 19 August 2024.

Fixed Penalty Notices are issued in lieu of prosecution. The decision on whether to issue an FPN or prosecute rests with the Local Authority and is made on a case-by-case basis.

National threshold

There will be a single, consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to five full school days) of unauthorised absence within a rolling 10 school week period.

For example: a five-day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Who may be fined?

Penalty notice fines are issued to each parent who allows their child/young person to be absent from school.

For example: three siblings absent for term time leave would result in each parent who allowed the holiday receiving three separate fines.

First offence

The first time a penalty notice is issued for an unauthorised term time holiday, the fine amount will be:

£80 per parent, per child/young person if paid within 21 days, increasing to £160 if paid between days 22-28.

Second offence (within three years)

The second time a penalty notice is issued for unauthorised absence, the amount will be: £160 per parent (who allowed the holiday), per child/young person, payable within 28 days.

Third offence and any further offences (within three years)

The third time an offence is committed, a penalty notice will not be issued and local authorities will need to consider other available measures to address the absence concerns.

This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500 and/or a term of imprisonment not exceeding three months.

Please note any monies collected through fines come back to Cumberland Council to facilitate attendance support and not to schools.

POMS Cluster Attendance Agreement 2025 - 2026

Guidance on authorised term-time pupil absence

The Education Regulations 2013 [aka, the Regulations] which came into force on 1 September 2013, made it clear that headteachers may not grant any leave of absence during term time unless "exceptional circumstances" prevail. The regulations also state that headteachers should determine the number of school days a pupil can be away from school if they grant a leave request because of "exceptional circumstances".

The fundamental principles for defining "exceptional circumstances" are that they are 'rare, significant, unavoidable and short'.

POMS cluster Headteachers have worked together to agree some guiding principles for headteachers to consider when families request absence during term-time. This will ensure consistency across the cluster and ensure all schools are sending the same message surrounding the importance of attendance at school.

Guiding Principles

1. Term times are for education. Children and families have 175 days off school to spend time together, including weekends and school holidays. Headteachers will rightly prioritise attendance. The default school policy should be that absences will not be granted during term time apart from in "exceptional circumstances".
2. The decision to authorise a pupil's absence is wholly at the headteacher's discretion based on their assessment of and circumstances of each individual request. POMS Headteachers have worked collaboratively to agree a shared approach. Schools in the POMS cluster will follow these agreed principles.
3. If an event can be reasonably scheduled outside of term time, then it will not be authorised. Holidays are, therefore, not considered exceptional circumstances.
4. Absence from school to visit seriously-ill relatives or for bereavement of a close family member are usually considered to amount to 'exceptional circumstances', but for the funeral service not for extended leave.
5. Absences for important religious observances are often considered, but only for the ceremony and not for extended leave. This is intended for one-off situations rather than regular or recurring events.
6. Schools may wish to take the needs of the families of service personnel into account if they are returning from long operational tours that prevent contact during scheduled holiday time.
7. Whilst as school settings we must make reasonable adjustments for pupils with special educational needs or disabilities in school time. Regarding attendance, we work closely with our colleagues from our local special schools. In line with their guidance, we would not consider requests that are based on holidays during quieter times.
8. Families may need time together to recover from a trauma or crisis.
9. POMS schools will consider a pupil's historical record of attendance when making absence-related decisions
10. It is important to note that headteachers can determine the length of the authorised absence as well as whether an absence is authorised.
11. Absence will only be authorised where proper request procedures have been followed and the permission given.
12. Tickets and/or other travel arrangements should not be booked prior to discussion with and agreement of the school.
13. Parents and Carers should not confuse telling the school about an absence with having permission.
14. Whether alternative care arrangements have been considered by the parent to limit the time away from school.
15. The impact on any interventions, assessments or referrals being undertaken with the child or family, for example, family support, social care assessments, CAMHS, SEN.
16. The potential impact that the absence will have on the child.

This guidance has been agreed by all schools in the POMS (Partnership of Millom Schools) cluster;

Parkview Nursery School
Millom Infant School
Black Combe Junior School
Haverigg Primary School
St James' Catholic Primary School
Thwaites Nursery & Primary School
